#### CITY- MATTERS.

W. H Gibson is in Columbus today or

Mrs. W. A. Rogers and children, of New York, arrived in Springfield Friday. They will remain all summer.

Miss L. A. Watters has removed from No. 5, North Mechanic street, to 154 West Columbia street, north-west corner of Columbia and Mechanic.

Mr. C. S. Jessup, formerly of this city, now lives in Scotia, Greeley county, Nebraska, He writes that he is in a fine farming country, which is fast filling up.

Mr. Victor O Williams is pleasantly located at 64 Barton street, Cincinnati. He teaches music in three of the public school buildings and has a larger salary than he had here. He is meeting with good success in his school work.

The Missionary Herald, of Boston, has in its issue for May, three maps of the region occupied in part by the Mission of the American Board in West Central Africa. They were drawn by Rev. William E. Fay, of Bailunds, now temporarily in this city. Mr Fay explains the maps in an interesting article, which, with the maps, occupies three-anda-half pages.

Saturday night a tough looking stripling entered the grocery store of Levi Ruhl on South Yellow Spring street, and asked for a plug of tobacco. Miss Rubl laid the tobacco on the counter, but, not admiring the appearance of her customer took the precaution of keeping her hand upon it until he cashed up. The boy grabbed the plug and made for the street, but was caught by Miss Ruhl as he was going out of the door. In the struggle both parties stumbled down the steps to the pavement, when the boy jerked away and started to run, pursued by several persons who had been a tracted by the lady's screams. The thief ran down Pleasant street and up an alley, and, owing to the darkness, escaped.

Station House.

Chas. Williams owes his arrest, for disorderly conduct, to officer Condrop. ...illiam and Rebecca Love were taken on warrants by Wilson. A. J. Sodders, a drunk and disorderly, was pulled in by Ward and Rizer. Audrew Manning, who was considerably out of plumb and very much out of order, is inrebted to Caldwell for a nights' lodging at the station house. John Hax, very drunk, was arrested by Record and Wood. George Campbell, disorderly, was run in by Boyd and Condron.

Summary of Sunday's Local News. Geo, McDermott, wanted at Xenia, was arrested and jailed here Sunday morning, and an officer came for him today.

Mrs. Arthur Hosterman, of Iowa, formerly Miss Lizzie Geiger, is the guest of her parents on Perneliff avenue. Mr. Hosterman will this city.

At the next meeting of the city council on Tuesday evening Captain Billy Wood, station house keeper, will present his resignation as such officer, to take effect immediately after

the appointment of his successor. In Common Pleas Court, Saturday, Ezra Bauzhoff filed a petition for divorce from his

wife, Francie Barzhoff, nee Lutz. The ground alleged is adultery with one, Tony Green. The parties have been married ten years and have two children. A Horse in a Dry Goods House

A young stallion belonging to Andy Gaier, the East Main street saloonist, indulged in a go-as-you-please yesterday afternoon, taking the pavement on Limestone street, just like the other promenaders. Arrived in front of John Wren's dry goods house, in Dial's building, he was attracted by the sight of his own shadow in the big plate glass show window and, with horse sense, ambled up to improve the acquaintence with another young colt. Of course as he approached the window the shadow, or reflection rather, seemed to approach him until they touched noses. The colt then raised on hoof and struck out, producing, much to his own astonishment and no small tright, a tremendous crash, leaving a hole about midway the pane large enough for a man to crawl through. The glass was worth about \$200, which it is thought the owner of the horse will have to pay. It is not many weeks since the glass was broken out of the same window by two young men who were engaged in a playful scuffie.

Field Day for the Salvation Army. The detachment of the Salvation Army now garrisoning Springfield, took the field early yesterday, opening the day's action with a "knee drill" in the barracks at 7:39 a. m., conducted by Capt. West, whose family are now here with him. At 2:30 the entire army, officers and recruits, formed at headquarters and marched to Market square, where there was an hour's engagement, the space being filled, many people coming in carriages. This service was also conducted by Captain West. At 7:30 the barracks were again crowded, Capt. Demerit leading the attack. The results for the day were fifteen souls saved, making a total of 51 conversions during the two weeks since siege was laid to this city. Captain West, in reply to a question as to the length of time his force will hold their ground here, said: "Until Judgment Day, unless all the people in Springfield are converted before then.

The policeman on duty found it necessary to arrest one man for persistently disturbing the meeting, but otherwise everything was quiet and orderly in the congregation.

Making Money out of the Pedestal. A recent subscriber to the Barthold! Pedes.al
Fund, gave 3.9, and when asked why he did not
make it an even \$20, explained: "Sylving what
I did I cleared just \$5. I had a touch of malaria
not log ago, and in the ordinary course of events
it would have cost me \$20 for a doctor's bill. I
bought at my grocer's a bottle of Durwy's Pung
MALT Whiskey for a dollar, and was speedily
cured. So you see, I saved \$24 by going to a grocer
instead of a doctor, out of which I deduct \$1 as a
premium on my sagacity, and the remainder I
gratefully give to help Liberty enlighten the
World."

DATIONS DEMORALISED.

The third and last game of the series of exhibition games between the Springfield and Dayton clubs was played Saturday afternoon. at Association Park, and was won by the Springfields by the score of 9 to 4. Only about three hundred people witnessed the contest, which was the best played on the grounds this season. The home club was in excellent condition, and the error column of the appended score will show that the boys are getting down to good work On the other hand, it seemed to be Dayton's "off" day, every player making an error with the exception of Stein. It was only by sheer good luck that he did not make two, as twice during the game the ball bounded out of his hands but was caught again before touching the ground. Faaiz did some magnificent work behind the bat, playing the entire game through without an error or a passed ball. Kelly pitched the best game that he has pitched this season, being hit for only six base hits with a total of eight bases. Considering that this was only his third game this year, this is good work, and his admirers believe that he will do some very effective work during the season. The finest playing was done by Ardner, who made several magnificent catches of fly balls, for which he had to run a considerable distance. In batting Featz took the lead having a three bagger and a two base bit to his credit, and making two runs. Fisher played a good game at first, but made one wild throw to third base which let in the first run for the visitors. Huey also did some very fine batting, making two singles and a two bagger. Masram was hit for twelve base hits with a to al of eighteen bases. This is a fine showing and is a good indication that Springfield has a heavy batting team. For the visitors, Schwartz led the batting

with two singles. The fielding was very poor, as will be seen by the error column. Up to the fourth inning perfect play on the part of the home club kept the visitors from seeing first base. The game commenced with the home club to bat. After two men were out Baker made a base hit, and never stopped running until he had crossed the home plate, coming in on a bad error of Harper in right field. In the second inning Huey led off with a base hit, went to second on a muffed fly by Wilcox, and scored on a base hit by Fisher, which advanced Shoops to third. Fisher stole second and both he and Shoupe scored on a base hit Ardner and Peckinpaugh by Kelly. went out at first, ending the inning and leaving Kelly on third. In the third inning another run was scored by Baker, on a muffed fly by Williams, and a base hit by Arundel. In the fifth inning after two men were out Fastz scored on a two base hit by himself, and another single by Arundel. In the sixth the home club were retired 10 one, two, three order. In the seventh Peckinpaugh led off with a three bagger and after two men had been retired, scored on a single by Huey-The last two runs were made in the ninth, on a three bagger by Fastz, a two bagger by Buey, and an error by Crogau.

The visitors scored their first run in the fourth inning. Crogan led off with a two bagger, and scored on a wild throw by Fis! er to third. They scored again in the fifth inning on a single by Hughes, and a muffled thrown ball by Ardner. In the sixth inning Crogan got to first on a lafter his return from disease contracted in the fumble by Baker, stole second, and scor d on | service, his widow removing to Harmony a single by Schwartz. The later scored on a township, in this county, where she died in two bagger by Klussman, who was put out at third base. This ended the run getting, only one man of the visitors being able to soon join his wife and spead a few weeks in reach first hase in the remaining three inings. The following is the full score:

Mr. U. G. King, foreman of the Lec-tonia Democrat, Lectonia, Ohlo, writes: "Dr. S. B. HARTMAN, Columbus, Ohlo, Gentlemen: Some time since, I had occa-sion to doubt the genuineness of most of the articles that appear in different papers in regard to your wonderful Paruna, and in regard to your wonderful Peruna, and my curiosity was so great that I determined to write to one of the many people that claimed to have been cured by this medicine, and accordingly wrote to Mrs. J. W. Reynolds, of New Lisbon, this county, and received the following reply." I received your letter this evening, and in reply would say that Paruna, I believe, saved my life, and I can not recommend it too highly; for all complaints it is the best medicine in existence. It seems to help you as you swallow it. I would advise any one suffering from my complaint to take Peruna and be convinced. Yours truly, Mrs. J. W. Reynolds." Now, that's her card, word for word, and as I am well acquainted with the lady, I do not believe she would lie. It is truly wonderful how your medicine does do good.

James L. Mooney, Prospect, Ohio,

Convinced.

It is truly wonderful how your medicine does do good.

James L. Mooney, Prospect, Ohio, writes: "For the past ten years I have been suffering from combination and dyspepsia, and all the evil effects that accompany them. I was treated by a number of doctors, all to no effect. I used several patent medicines, which did me no good, and about three years ago I was seized with a severe nervous trouble, and was obliged to quit farming. I thought my days would soon be over, but last winter I received one of your pamphlets called the "Ilia of Life." I at once tried your Peruna and Manalin. They helped me right away. I used nine bottles of Peruna and three of Manalin; and now I am quite well, and able to resume farming. I also had a little child which was attacked with a severe cramp in the stomach; we thought it would go into spasms. I used nothing but Peruna. We gave it an injection of Peruna and warm water, and gave it a teaspoonful of the medicine internally every half hour. It was relieved in one hour, and has not been bothered since. I have also used it with as good effect in case of croup and been bothered since. I have also used it with as good effect in case of croup and colds. I know that it is a wonderful medicine, and recommend it to all who are in poor health. The above statement

I am willing to swear to."

W. M. Plants, Deep Valley, Greene county, Pa., writes: "Please send me your book on the 'fils of Life.' I have used one bottle of PERUNA, and am great-

THE DEATH RECORD.

Demise of Washington Wilson Sunday— An Aged Lady Falls Dead at the Dinner Table.

The serious illness of Mr. Washington Wil-

son, one of our oldest and most respected citizens, was recently mentioned in these columns. That gentleman died yesterday at 1:45 s. m., at his residence, corner Factory and Washington streets, of kidney troubles, with which he had long suffered, the members of his tamily being present at the last moment. Funeral services will be held at the house tomorrow merning at nine o'clock. Interment at the family burial ground, near the Christian church at Plattsburg, this county, and as the family connection in this and adjoining counties is very extensive, in addition to which the circle of acquainance among our substantial, pioneer people, is even more extensive, the concourse asembling to pay the last tribute of respect is likely to be much larger than is often seen The deceased was a retired farmer, born near Fairfield, Greene county, October 18, 1811; hence was, at his decease, 73 years and 7 months old. His father, Michael Wilson, served in the War of '12 and died shorely 1880 at the age of 92 years. Washington speat his boyhood days working on the farm n summer and attending school in winter. teaching one term when about 20 years old for \$10 per month. He was married May 22, 1836, to Mary A. Foreman. Ten children were borne to them: Michael, William J., George W., Harrison, John I., Addison, Nan cy T., Harriet, Mary A., and Flora, Michael and Addison, of the sons residing here. State Senator Geo. W. Wilson, of London, is one of the sons, and William J., a banker at Gibson, Ilis., another. One of the daughters, Mrs. Fred. Gillett, res.des at London, and two, Mrs. John J. Goodfellow and Mrs. Dr. Clarence H. Kay, in this city. The sterling qualities which gave the parents such a high standing for moral worth in the community. have descended to their children. The deceased was possessor of a very large landed estate in this and Madison counties, the management of which has given him full employment since his removal to this city in 1868. He was one of the trustees of Harmony township for twelve years and of the school board of that township for eight years. He was one of the prime movers in the organization of the Christian church here, a few years since, and has been one of its principal supporters and officials. He passes away full of years and his good works de follow him.

Death at the Dinner Table.

A lady named Mrs. Crosby, aged 76 years, died instantly about two o'clock yesterday afternoon, from an attack of heart disease, at the residence of her son-in-law, Mr. Idner Wolf, corner of Light and High streets. The deceased was subject to heart disease, but had been in usual health of late and was sitting at the table, having nearly finished her dinner yesterday, talking about some minor domestic affairs, when the fatal attack came, the lady dying in her chair, as she sat, so sudden was the stroke. Funeral services will be held at the house tomorrow morning at 9:30 o'clock. Interment at Enon, where the deceased formerly lived.

The Coming Shooting Tournament. Dr. L. E. Russell, Presidence of the National Gun Association, attended a meeting of the Executive Committee held in Cincinnati last week. Everything that pertains to the shot-gun wing-shooting tournament, which is to be held in this city from May 5 to 9, inclusive, seems to be progressing finely and the indications are that it be the most successful of any tournament ever held. The prizes will amount to \$2,000. Dr. Russell is in receipt of letters daily, asking for information, which shows that a lively interest has been awakened. A letter has been received from the captain of the Exeter Club, of Exeter, New Hampshire, stating that they will be present to compete for the \$250 badge offered as a prize. This club won the amous \$750 diamond badge in the clay pigeon tournament held at Chicago last May, in which all the best clubs in the country participated.

It was decided at the meeting of the Executive Committee to engage the Big Six Band to furnish music during the tournament. The stand privileges at the Fair Grounds are now for sale and good bids are being received. No liquor will be soid on the grounds, in ac-
